

Pure & Simple is a 100% natural  
Moisturiser, Barrier cream & Healing Balm  
Made by nature, distributed by Duzz-All Beeswax.

Pure and Simple contains Natural Beeswax,  
Active Manuka Honey, Organic Jojoba Oil &  
extracts of Rice bran.

Pure & Simple contains no harmful parabens,  
alcohols, petroleum distillates, artificial  
preservatives or synthetically manufactured  
vitamins.

Pure & Simple is a nutrient rich intensive  
Moisturiser. A complete food for your skin, that  
needs, only, to be applied sparingly.

Pure and Simple nourishes, softens, moisturises  
and re-hydrates your skin, leaving it smooth and  
silky.

Pure and Simple provides an effective barrier to  
prevent external irritants from causing dryness,  
cracking or irritation while maintaining skins  
essential moisture levels.

Pure and simple contains natural antibiotics,  
antimicrobial antifungal and antiviral properties to  
prevent infections and heal common skin  
conditions.

Safe for all ages and skin types.

Pure and Simple is suitable as a facial cream.  
Cleanse and tone with the product of your  
choice, apply a small amount (pea size) dotted  
around your face and neck massage in lightly  
with upward strokes. For dry or mature skins,  
apply morning and night. For normal or  
combination skins apply as a night cream.

Use after shower as an all over body moisturizer.

Pure and Simple is ideal for re-hydrating and  
repairing your skin after exposure to sun, wind or  
surf.

Pure and Simple calms and soothes skin  
following hair removal.

Pure and Simple heals dry cracked hands, heals,  
elbows and knees. Apply as frequently as  
required.

Massage Pure and Simple into cuticles to  
nourish nail bed, promote nail growth and protect  
finger tips from splitting. Apply morning and  
night.

Apply Pure and Simple to burns, cuts,  
abrasions, blisters or grazes to prevent  
infection and reduce healing time. For open  
wounds apply to a sterile dressing. As the wound  
heals apply directly, as frequently as required, to  
provide an invisible protective skin to prevent  
infection and continue the healing process.

Use Pure and Simple, to relieve the discomfort  
caused by bites, heat rash or other itchy skin  
conditions. Apply as frequently as needed.

Pure and Simple may assist in alleviating the  
symptoms related to persistent skin conditions,  
such as eczema, dermatitis or psoriasis, for  
example, itching, inflammation and flaking.

Used after each nappy change, Pure and Simple  
will help to prevent or heal nappy rash.

Pure and Simple relieves the soreness and  
redness to lips, cheeks and chin, caused by  
teething. Or, the nasal discomfort associated with  
a cold or flu symptoms. Use as often as  
required.

*To recycle this packaging fill bag with potpourri  
and use to fragrance draws, wardrobes, linen  
cupboard or car.*
