

DUZZ-ALL BEESWAX

Thank you for expressing your interest in **Duzz-All Beeswax**.

Duzz-All Beeswax is a 100% New Zealand made conditioning cream containing no chemicals such as petroleum distillates, mineral oils, silicone or animal by products. Duzz-All Beeswax is made from natural beeswax, the essential oil of the jojoba plant and vegetable extracts.

Duzz-All Beeswax is far more than just a polish. Duzz-All Beeswax is designed to penetrate into all smooth and porous surfaces replacing the natural oils lost through age, wear and tear and environmental conditions.

Duzz-All Beeswax has a wide range of applications as detailed in our brochure.

RETAIL SUPPORT

To support our retailers Duzz-All Beeswax has developed a range of signage targeted towards a variety of markets. Retailers may choose the signage that features their core market.

We also offer retailers the opportunity to custom design their own promotional signage incorporating your company logo or featuring your product/s.

Customising your signage can be as easy as providing a copy of your business card.

Alternatively you can email your chosen graphics, for example product photographs, business logo and/or business card to;

Subject: Duzz-All Promotion

info@plancopy.co.nz

Where possible, please forward information in the following formats.

300 DPI

JPG or

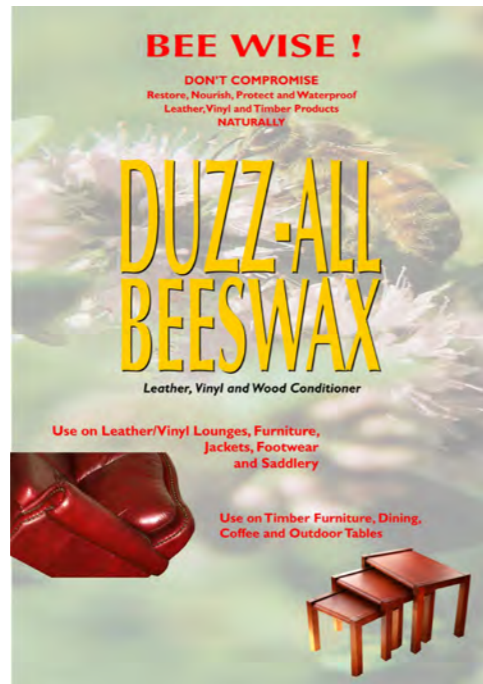

PDF

All Retailers have the opportunity to be listed on the Duzz-All Beeswax website under the 'Nearest Stockist' page.
